**UNIVERSITY OF SOUTH AFRICA
EXAMINATION RESULTS AND REGISTRATION**

1. EXAMINATION RESULTS

Results are carefully checked after examinations have been marked by at least one internal examiner and moderated by at least one external examiner. In the case of final year courses, examinations are also moderated/examined by an external examiner. Students who applied for a remark and who have been granted a second examination opportunity, should continue preparing for the examination until the remark result has been finalized.

2. The University will regard all results to be correct and complete if no query is received from a student within a period of three (3) months from the date of release of the examination results. The retention period for examinations is twenty four (24) months after the release of results.

3. REMARKING OF EXAMINATIONS IS ALLOWED ON THE FOLLOWING CONDITIONS:

- 3.1 Only those students who obtain 35%-49% or 68%-74% in a study unit may apply for a remark of such an examination. The online application form is available in MyUnisa. Log into MyUnisa and navigate to the Examination Results Tool in the administrative section.
- 3.2 An application (including the payment of the prescribed fee) for the remarking of an examination must be finalised by 15 September 2021. No late applications will be considered. Applications should NOT be addressed to academic staff. An examination that only consists of a multiple choice examination paper will NOT be remarked as these are marked electronically.
- 3.3 The mark awarded after remarking will be the final result even if it is lower than the original mark appearing on the result letter.
- 3.4 The fee for remarking is R525 per examination. The fee for remarking study units consisting of papers 1 and 2 is R1050.
- 3.5 An external examiner who was not involved in the original marking will undertake to verify the remarking.
- 3.6 A student who qualifies will be entitled to a supplementary examination as a result of a remark result. Original supplementary examinations granted (if applicable) are retained.
- 3.7 Remarking results will be made known approximately two (2) months after the closing date.
- 3.8 A student may not apply for a remark in respect of the practical component of an examination (e.g. Physiology).
- 3.9 Remarking fees will be refunded if a student:
 - 3.9.1 who originally failed, now PASSES as a result of remarking, or
 - 3.9.2 who originally failed, now PASSES with a subminimum, or
 - 3.9.3 is awarded a DISTINCTION as a result of remarking or
 - 3.9.4 gains admission to study for a following, higher qualification on the grounds that his/her marks have sufficiently improved as a result of remarking.

4. DECLARATIONS

A declaration of courses passed will be issued on request. Those students who fulfilled the requirements for completion of a degree/diploma will receive confirmation thereof during September 2021 together with the details of the graduation ceremony.

5. REGISTRATION

- 5.1 No extension will be considered for registration on grounds of an application for remarking of an examination. Students waiting for the result of remarked examinations must register for such study units before the closing date of registration.
- 5.2 Full information regarding registration appears on the myUnisa web page.

Students may register at any of the University's regional facilities.
